

Headteacher Citizenship Awards

R	Dexter	He is such a team player! I've observed him on numerous occasions sharing, turn-taking and being a thoroughly pleasant young man.
1	Ted	I am so proud of Ted and his fantastic effort with his writing, he sat and wrote this without any help from me or Mrs Gough. He was sounding out words and used his finger spaces brilliantly! Well done Ted!
2	Harrison	Harrison was fabulous whilst investigating which material makes the best sole for a trainer. He understood the need for a fair test and could explain why certain materials created more friction. Harrison also related all his predictions/conclusion back to whether the chosen material would be fit for purpose, realising that although sandpaper creates lots of friction it wouldn't be very durable making rubber the overall chosen material. Well done Harrison!
3	Essie	Essie wrote a super set of instructions linked to our learning in English. We are reading Flat Stanley's adventure to Egypt and Essie used the information from the text to write a really clear set of instructions called 'How to reach the scrolls.' She chose her vocabulary carefully to suit the writing and made alterations as she was writing, which demonstrates her as reflective learner. Well done Essie! Keep shining brightly ☺
4	Harley	Harley has been working with lots of determination and resilience in maths. In our recent work on rounding, Harley used his working out to help him to ensure that his answers were accurate. He set out his work in a neat and organised way. I have been very impressed with Harley's effort, focus and positive attitude.
5	Simran	Simran completed this amazing report about the Apollo 11 Mission at NASA. He researched the facts all by himself and set his work out beautifully. You can see just from looking at it how much effort he put into it. As well as this, when you start reading it, you can tell just how much he engaged with the topic. Well done, Simran!
6	Imogen	Imogen has really impressed me this week with her historical knowhow! Whilst learning about the Anglo Saxons and Vikings she was able to adapt and apply her learning to new situations – most notably making secure inferences about historical ways of life. In addition to this, she correctly spoke about Viking berserkers and I was wowed with her wider knowledge around the subject – well done!

Inset days for this academic year

Monday, 2nd November 2020

Monday, 26th July 2021

Tuesday, 27th July 2021

Wednesday, 28th July 2021

With God, growing the best places to learn together.

Parents meetings Tuesday 17th and Thursday 19th November

The working relationship between school and home is vital to the success of the children's education. Many parents, teachers and children greatly valued the chance for their child to be present at the meeting. Parents also requested as much notice as possible for the meeting, so we are arranging meetings now. The appointments will be sent out on Thursday, 15th October. Please contact the office if you have not received your appointment.

Meetings on Jotter App have been planned for Tuesday, 17th November between 3.50pm and 6.50pm and Thursday 19th between 3.50pm and 5.50pm. I hope you will be able to attend on one of these meetings.

Please email your preferred day on the reply slip to admin@woodsfoundation.notts.sch.uk as soon as possible. You will then receive an appointment confirmation. It is assumed that brothers and sisters throughout the school will wish to have appointments on the same day at similar times. Should the need arise you are of course free to arrange an after school follow up meeting with your child's teacher. Please return your slip by 8th October.

Parents meeting request email to admin@woodsfoundation.notts.sch.uk

Name of Child.....Class.....

Name of Child.....Class.....

Name of Child.....Class.....

Please may I have an appointment on [please tick as many as possible]

Tuesday 17th November: 3.50 pm – 4.50 pm [] 4.50 pm – 5.50 pm [] 5.50 pm – 6.50 pm []

Thursday 19th November: 3.50 pm – 4.50 pm [] 4.50 pm – 5.50 pm []

Any day (**ticking this option really helps**) []

Extreme Reading Challenge

We are running our annual challenge to find the craziest place to read a book! What do you have to do?

1. Choose a book
2. Find a wacky place to read
3. Get someone to take your photograph!
4. Email your picture to admin@ with your year group as the subject title for our EXTREME READERS display.

Please bring in your weird, wacky and wonderful photos by Tuesday 3rd November.

With God, growing the best places to learn together.

2020 SHOE BOX APPEAL

Once again we are supporting the international distribution of gift-filled boxes to needy children around the world. Millions of boxes are taken around the world carrying gifts of love to children who may have never received a gift in their lives before. It's good to know that despite the Covid 19 restrictions you can now pack a shoe box without leaving home!

GO TO shoebonline.org.uk and you will be led through

- how to select the age and gender of your preferred recipient,
- how to select gifts from a good list of toys etc.
- how to add a message and/or photograph and
- how to pay for this service and a gift.

Your box will then be packed and despatched for you! Later on you will be notified of the country to which your box was sent. We are urging people to use this online facility – it's safer and it's easier. The deadline for this is Sunday, November 15th. We are so grateful for your support of this worthwhile cause.

MAS Football Camp
