#HelloYellow

We have, as a school, signed up to the Hello Yellow initiative, which will take place on the below date and is linked to World Mental Health Day.

The campaign recognises the importance of heightening awareness of mental health issues specifically in young people and providing them with strategies to help deal with any issues. Children in all year groups will be taking part in a number of activities linked to this important issue throughout the day. In support of this we would ask that all children come to school wearing something yellow. It can be something as simple as a yellow hair bobble or a pair of yellow socks.

Friday 9th October 2020

Please note, if your child or household family member is displaying Covid-19 symptoms please can you let the school office know and keep your child/ children off school to isolate or to get tested as per government guidelines.

Thank you for your cooperation so far with this.
