### Friday 9<sup>th</sup> October - World Mental Health Day #Hello Yellow

Once again we have signed up to the 'Hello Yellow' initiative. We will be increasing mental health awareness in an age appropriate way with all of our children, from Reception to Year 6. To support this day the children can come to school wearing yellow where possible. Please do not spend lots of money and utilise what you have already got at home. A yellow pair of socks or a yellow bobble is absolutely fine.

Teaming up with our Hello Yellow Day tomorrow, we would like to encourage the children to bring in their harvest festival donation on Friday. Please ensure this is a non perishable item/tinned food. A huge thank you to our Year 6 children and our talented staff for recording and producing our Harvest Festival which we shared on Class Dojo earlier in the week. Please take a look on whole school story. Thank you.

Thank you to all our families who leave feedback. Your comments are greatly appreciated!

The staff, environment and ethos of the school are fantastic. We couldn't ask for a better place for our child and we're delighted that we made the right choice for our daughter to flourish.

Excellent school, improving all the time. I am extremely grateful that my child is part of it.

My girls love being at school enjoying learning is the key and is achieved here at St Johns. All staff welcoming and approachable if needed like a little school family couldn't ask for more 😊

St John's is a wonderful school and the staff are really friendly and welcoming and it is clear that they care a lot about each individual child. My children are excited about school every day and have built some friendships. The core values of St John's I feel are rooted in my children and they have been able to flourish and progress in a Christian environment.
