WORLD MENTAL HEALTH DAY

Many thanks once again for your support today. Your kind generosity helped to raise £196 for Young Minds mental health charity. Thank you

Please Help Us!
It is vitally important if you or your child has symptoms that the whole household **MUST** self-isolate for 14 days or until a negative test result is received. **Do not** send your child into school if you are awaiting a test result. Everyone needs to follow the guidelines to help keep each other safe and to allow me to continue to keep the whole school open to all children. Without you all doing your bit you are putting everyone in our school community and their wider families at risk.

Thank you for your support.
