Issue No.5  
9th October 2020

Dear Parents,

It has been wonderful to welcome back our Reception staff and children this week. It has been lovely to see them settle back into their classrooms and restart their journey at Stockingford Academy.

Once again, thank you to those of you who are arriving at the right time for school. Please make sure that you are getting to school at either 8.45am or 9am depending on your child's starting time. We are noticing there are some people who are arriving too early and are on site for longer than necessary. If you have siblings with different start times, this is an exception. Please also make sure that you stay within the class bubble on the playground and that children stay with you.

Parent phone calls will continue into next week. If you would like a conversation with your child's class teacher but did not hand the form in, please email the school office on our new email address and let us know.

**Please remember that we have a Teacher Training Day on Monday 2nd November so school will be closed to all pupils on this day.**

Enjoy your weekend, stay safe.  
Mrs Bowser.

## Other News at Stockingford Academy

### Stockingford Pumpkin Festival

This year we will be holding a Pumpkin Festival! All pupils are invited to bring a carved pumpkin into school which will be displayed for all to marvel at! Please bring your pumpkins into school during the week beginning the 19th October. Please make sure the pumpkins are named so they can be sent home at the end of the week for you to light and proudly display in your homes during half term.

### Talent in Our School

We are proud of all of our pupils and realise that every single person is talented in their own way. We wanted to share with you that two of our Year 5 pupils have had their footballing talents recognised and are now playing for professional teams.

Summer-Leigh was scouted by Aston Villa Regional Talent Centre, after going for two Trials and now plays for Aston Villa Girls Team. She trains twice a week and is regularly playing in matches.

Bella-Mai, Year 5, is also destined for a great footballing future. Bella-Mai used to play for Coventry City but since being scouted at a tournament, now plays for Leicester City Girls Football Club.

Well done, Summer and Bella! We all support you and look forward to hearing about your future successes in the footballing world.

### What's Happening in ... The Haven?

The pupils in the Haven have been busy creating an ice cream parlour! The pupils have written this report telling us about their enterprise:

*We have enjoyed buying and selling ice-cream cones in the ice cream parlour. Taking turns at being a customer or the shopkeeper has been great fun, We had to make different prices with the coins in our purses. Now we have added different flavoured ice creams. Well done to all the pupils for showing such creativity and using so many different skills.*

### Look out for Letters

Those of you that follow us on Social Media know that we love to share the wonderful things that the children have been learning about in school. However, we have to have your permission in order to share photos. You will soon be receiving a letter to complete so we know you are happy for us to share photos on social media, the school website and other public platforms. Please complete it and return to school as soon as possible.
