Parents/Carers Evening

Due to Covid-19 restrictions and guidance from the Government, Parents/Carers' Evening will need a different format this year as we are unable to have large groups of people entering the building. In order to ensure maximum safety for all, you will receive a progress/information sheet via Class Dojo from your child's teacher by the end of the day on Monday 12th October. This will give you an opportunity to read about your child's progress and find out how he/she has settled into their new class.

If you have any questions after receiving this information you can request a 5 minute digital appointment using Microsoft Teams with your child's teacher. Please send a Dojo message to your child's teacher if this is something you wish to take up before 3:30pm on Tuesday 13th October.

Christian Value

This term we are reflecting on the value of Friendship.

A prayer written by one of our Year 6 pupils

Dear God,
Please help me to be the best friend I can be.
I hope I can be responsible, loyal and caring towards my friends.

Thank you God for the world.

Amen

World Mental Health Day

#HelloYellow

YOUNGMINDS

Tomorrow is World Mental Health Day and as a school we celebrate it with a "Hello Yellow Day", supported by Young Minds.

Children are invited to wear a yellow accessory to show their support, whether in school or at home. This could be a yellow headband, yellow socks, t-shirt or scarf. During the day children will be completing many activities in relation to this. At a time when it's need most, come together for #HelloYellow.

Attendance

Congratulations to Year 4/5 with last week's highest attendance of 99.2%

Attendance Matters

The world is run by those who turn up!
Attending school every day = 100% attendance = Zero learning lost

Attending 4 days a week = 80% attendance = more than half a term of learning missed per year.

Make every minute of learning count.
