## Harvest Festival Charity 2020

This year we have chosen to support **SMARTMOVE** - a local charity who support vulnerable families in Calderdale. During lockdown they supported many of our families with food parcels, so we wanted to show our gratitude by helping them with much needed fundraising.

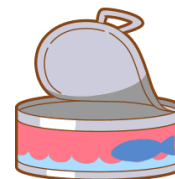

On Friday 16<sup>th</sup> October

we would like to invite the children to bring a donation of one of the following items if possible:

- Tinned meat and fish.**
- Toothbrushes and paste.**
- Hand sanitiser.**
- Household cleaning products.**
- Antibacterial wipes.**

Thank you so much in advance for your support.

Calder House were our house point winners this week.

Well done to everyone in Calder!

## Parents Evening

Parents Evening this term will be the same as we did in the Spring term during lockdown.

Each teacher will produce a written report which will be sent home the last week of term.

Report

If you would like to discuss any aspect of the report you can then ring school to arrange a telephone consultation with the class teacher before we break up on Friday 23<sup>rd</sup> October.

In the first week back after half term each teacher will be sending out an invitation to join them for a class zoom meeting for one evening 4.30-5.00pm. This will be an opportunity to meet the class teacher as a group of parents and to learn about the curriculum your child is studying this term and ask any questions you may have.

Log in details and the date of each class meeting will be sent out via text.
