

Kingfishers Class Newsletter 9th October 2020

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

This week in Kingfishers, we have been looking at greater than, less than and equal to in Maths. The children learned the new vocabulary as well as the symbols (<, >, =). We are practising writing mathematical sentences with these. In English, the children have been working on invitation writing. They have produced some super published invitations to the Little Brown Mouse from our story the Gruffalo, have a look on our Facebook page to see the amazing writing they have produced.

The children have enjoyed doing some planting with Mrs O'Neill this week, they are looking forward to observing these over the next few weeks. They also used vegetables to create some super observational drawings with labels.

Thought of the week

The children have been thinking about how to look after their things and each other this week.

Stars of the week

Self-Belief: Jaxon and Holly - who have been outstanding in their efforts in their home learning.

Home Learning Challenge

Your learning challenge this week is on Google Classroom, please log in to find the maths and the resources.

Reminders

Forest school will be a Wednesday morning for this half term. Please ensure children have wellies for this.

P.E will be every Thursday afternoon.

Please bring a spare set of forest schools clothing at the beginning of the week. This should be weather appropriate.
