

Wickersley Northfield Primary NEWSLETTER

12th October 2020

Volume 7

Lloyds Bank

With support from one of our school Governors Opeyemi Akinwusi who works at Lloyds bank we have just won a community bid for our school.

In the bid we requested 24 Chrome Books, 6 for each of our KS1 classrooms for the pupils to use.

We are highly delighted to be receiving £4800 towards the purchase of the Chrome books and we cannot thank Lloyds Bank enough for their generous donation to our school which will greatly support our pupils teaching and learning.

Yorkshire Cricket

After completing a trial in Harrogate including girls from all the Yorkshire areas Tyler Saunders in 5MM was picked to play for the Yorkshire girls U11 cricket team.

Well done Tyler - what a great achievement!

Clever Never Goes

Clever Never Goes is an alternative to 'stranger danger' education.

Whilst child abduction is relatively uncommon, it is important that children can recognise the potential signs of danger.

Clever Never Goes moves the focus away from 'strangers' to teach children to recognise when ANYONE, even if someone known to them, asks them to go with them.

[See safe4me.co.uk/portfolio/clever-never-goes/](http://safe4me.co.uk/portfolio/clever-never-goes/)

Gold Award

A huge WELL DONE to Olivia Fidler, Daisy Atkinson,

Emmie Mercer,

and Yusuf Munir

who have all achieved their gold award on Mathletics .

10 day Active Travel Challenge

Don't forget that the 10 day active travel challenge our school is taking part in starts today

Monday 12th October.

We hope to see all our pupils taking part - don't forget if you live too far away to walk, cycle or scoot to school, please use the park and stride option and park 5 minutes away from our school (refer to the walking bubble map that we emailed to you).

Parent Consultations

After lots of research and careful deliberation we have decided that due to the current climate and not being able to hold any meetings in school we will provide the vast majority of our parents with a short written update on how your child has settled in since September, how they are doing in class and provide you with targets that your child needs to work on.

Each class teacher will contact the parents in their class who has a child on the SEND register so their IEP's can be updated. They will also contact parents who they feel they need to speak to about their child's learning and or behaviour.

Thank you in advance for your support and understanding during this difficult time.
