## School PE Days

Dear Parents/Carers,

We previously said that children may come into school wearing a dark coloured tracksuit top or jumper/cardigan on PE days. However, due to the variety of styles, colours and brands/logos we would ask that children from now on only wear school jumpers/cardigans.

*'We like our children to wear school uniform because we feel that it helps them to identify with the school, look smart and to take pride in being a member of the school community. It is easier to identify ourselves as a group with shared values and reinforces our view that everyone is equally important'*

Kind Regards,

Paul Brown
