- Host people you do not live with in your home or garden, unless they're in your support or child care bubble
- Meet people you do not live with in their home or garden, whether inside or outside the affected local areas, unless they're in your support or childcare bubble

In addition to these restrictions, it is advised that you should not:

Medical Forms

Polite notice for all parents and carers, can all medical forms be returned to your child's class teacher as soon as possible. We require a medical form to be completed for each child, even if they have no health conditions. Thank you!
