## Regeneration and Strategy

Mulcture House  
Mulcture Hall Road  
HALIFAX  
HX1 1SP

Dear Resident

Calderdale Council is working with schools to keep pupils safe on their journey to school; we are encouraging parents to avoid driving their children to school and to create a safer area outside school.

Since September roads outside 10 Calderdale schools have been closed to cars and other motorised traffic at school drop-off and pick-up times. Only access for resident vehicles, emergency services and utility vehicles will be allowed on the designated streets at these times.

The road closure that affects you is associated with the following school and the closure will be in place during the times outlined below:

**Shade Primary School, Todmorden** Monday – Friday, 8.30am – 9.15am, 3.00pm - 3.45pm (term time only).

Steven Lee  
Head of Highways and Transportation

There are Traffic Regulation Order (TRO) notices outside the school in the affected area with full details of the closure.

The new access restrictions are part of the national [School Streets](#) community-based approach, aiming to reduce car usage and air pollution, promote walking and cycling and boost road safety, health and wellbeing.

This supports the Council's on-going work to tackle the climate emergency, improve air quality and become the most active borough in the North by 2024 through the Active Calderdale movement – [read more about the trial on the Active Calderdale Blog](#).

For this to be successful we need your support. If this project is going to affect your essential travel patterns during the restricted times please let us know, or if you have any queries please contact [schoolstreets@calderdale.gov.uk](mailto:schoolstreets@calderdale.gov.uk)

Yours sincerely

Corporate Lead Transportation

Steven Lee  
Head of Highways and Transportation
