

Dear Parents,

International Week - Monday 19th October

Next week we will be holding an International Week in school. Each class will learn about a different country as follows.

**Nursery: Countries in Africa ~ Reception: Eritrea ~ Class 1: New Zealand
Class 2: India ~ Class 3: Sri Lanka ~ Class 4: Switzerland
Class 5: Japan ~ Class 6: Italy**

During the week the children will learn about different aspects of that country such as

- Its location on a map
- The capital city
- The national flag and its meaning
- How to say hello in the home language
- Games that children might play there
- The main religions
- The traditional dress

On Friday 25th we would like the children to come to school in traditional dress for any country. If your child has traditional clothes for their home country we would like them to wear them. If not **children could wear clothes to represent any country in the world or the colours of a flag.**

Due to Covid restrictions parents will NOT be able to send food to school or to come into school to look around. Teachers will film something each from their class which we will put on the school website.

Yours sincerely

Mrs E. J. Holliday
Headteacher
