Remote learning

If your child is absent due to Covid19 reasons, it is the expectation that they will complete work at home to enable them to continue with their learning. We have created a section on the website to further explain this. If you do not have all of the home learning codes, please ask for these off the class teacher.

Day one will be available on Seesaw under activities. This will be generic learning for the first 24 hours to allow staff a chance to find appropriate learning to post daily. If you have ordered CGP books the relevant pages will be shared by staff.

Flu Vacs

If you would like your child to receive the nasal flu vaccine in school please follow this link to complete an online consent form; <https://www.nhsimms.uk/FLU/information?id=119278&Type=FLU>

The vaccinations will take place at your child's school on Thursday 26th November 2020. The link will close on Thursday 19th November 2020 at midnight.

If your child has already had the Nasal Flu vaccine since September 2020 please disregard this message.

If you have any problems accessing the link please telephone 0333 358 3397, option 6.

There will be a selection of food bags available for collection next week. These have been donated by the local food bank. Jade will be in touch with families who have accessed these before. If you are struggling, please let us know. School will close at the usual times on Friday 23rd October.
