Could you be eligible for Free School Meals?

@Sutton @Bugthorpe

Everyone's situation at home is different, and sometimes changes in your circumstances can lead to you needing some additional support – particularly with the impact COVID-19 has had on the economy and jobs. Claiming free school meals for one child could save you over £400 per year, and for every pupil in a primary school receiving free school meals the government gives the school an additional £1,320 a year, known as the Pupil Premium grant. We can use this for a range of things, including helping your child in school, with the cost of music tuition, trips etc. There is no stigma attached to this for your child which is one reason some people hold back – children are not aware of each other's circumstances and at no point does anyone know that another child is in receipt of free school meals. Currently, every child in Reception, Year 1 and Year 2 receive a universal free school meal regardless of the family income, but not all will be eligible for the Pupil Premium Grant. To qualify for free school meals and the Pupil Premium grant (or currently just the Pupil Premium grant for Reception and KS1) you must fulfil one of the following criteria: -

- Receive income support/income based job seekers allowance or income related employment and support allowance;
- Be entitled to child tax credit but not receiving working tax credit and your annual income must be below the government set threshold;
- Receive support under part VI of the Immigration and Asylum Act 1999;
- Receive the guaranteed credit element of pension credit;
- Be entitled to the 4 week run of working tax credit due to employment ending.

To find out if your child is eligible for free school meals or if your school can claim the Pupil Premium Grant you can telephone the East Riding team on **(01482)**

Harvest Festival @Sutton @Bugthorpe

This year our Harvest Festival will focus on raising money for Water Aid; a charity that works to make sure everyone has clean water, decent toilets and good hygiene. In school we will be making links to the Covid Pandemic and how fortunate we are to have good facilities to keep ourselves clean.

To help with this a Gift Aid envelope will be available from school; please contribute, if you can, and return the envelope before **Friday 23rd October 2020**.

All the money we receive this Harvest will be sent to support Water Aid. In the coming weeks your children to find out more about this charity in lessons and will present their learning to each other during our Harvest Service.

PTFA Sponsored Spell @Sutton @Bugthorpe

Both schools are holding a Sponsored Spell in school, in the first week back after half term. @Sutton – 3rd November; @Bugthorpe 4th November. The children are given 100 words to learn, depending on their age – please see the letter sent out via email from the School Office for more information on this.

@Bugthorpe PTFA would like to raise funds to develop our school grounds with some outdoor seating. We would particularly like some outdoor picnic benches for groups of children to come outside to do their work at, and potentially eat their packed lunches on, in the better weather. We are hoping to further develop our Forest Schools area at the bottom of the school field with some archways and benches too. @Sutton PTFA would like to raise funds to develop our Forest Schools area with some new equipment. We would like some new canopies and seating areas as well as equipment e.g. waterproofs. We are also looking to add a decking area to our new library so that the children can read outdoors too, when the weather is nice.

I am sure you will agree these are worthy causes to further develop our school grounds. All sponsorship money will need sending in to the School Office by **Friday 13th November**. I do hope you can support your child to practise their spellings and raise some money; thank you for your support.

Reading at Home @Sutton @Bugthorpe

Just a general message about the importance of listening to your child read. It is vital for children to be listened to read at least 4-5 times per week. Not only listening to them read, but sharing books with them too. Studies suggested that even children up to the age of 11 should be listening to stories at home to develop their vocabulary and comprehension. Please make sure you record any reading in your child's reading record.

Reading Recordswhat do I write?

Let the teacher know how your child has got on ...

- What sounds can they recognise?
- What words could they blend?
- What tricky words can they read on sight?
- Did they find anything difficult?
- What did you talk about? Plot, characters etc.

Thank you for your continued support with this.

You can also access book band reading books online at www.oxfordowl.co.uk

This is a free e-book library for children aged 3-11 years.

Dropping Off Routine Reminder @Sutton

A polite reminder: Please ensure you come to school at your allotted time to pick up or drop off your children. If you come too early or too late, it could risk mixing bubbles and social contacts, which we obviously hope to avoid. It is also integral to leave the school grounds as soon as possible and not to linger to talk with other parents. Please ensure we do not block any junctions when parking to ensure it is always safe to cross the road. Thank you for your support with this.
