Newsletter week ending 16th October 2020

Mrs Truslove writes:

Tonight your child will bring home a short interim report about how they have settled during these strange times. They would have formed the basis for the parents' evening had we been able to hold them in school. The teachers have indicated whether or not they think that a phone call would be useful. If this is not indicated, but you would like a phone call, please contact the office by phone or email. If a phone call has been indicated, please could you let the office know when would be a good time for you to talk and what phone number would be best for us to contact you on. Thank you.

This week we held a reduced Friends AGM. I would like to thank Sarah, Ella & Vicky for all of their hard work as Chair, Secretary and Treasurer. Hopefully, we will be able to plan some events soon - we did discuss some good ideas for remote and socially distanced fund raising, however, if anyone has any other ideas please let us know.

Mrs Barnes / Mrs Truslove

Next week in maths, Year 1 will have an assessment on the maths strands covered so far. Reception will be exploring number and place value.

Next week's spellings will be a review of all the spellings learnt this half term.

Mrs Gibbins

Maths next week is place value.

Homework is in the yellow books.

Year 2 spellings next week will be the final week on their sheet. Year 3 will have a review of the terms words.

Please keep practising the phonic sounds with your year 2 children. If you are unsure of the sound it helps to think of a word with the sound in, for example oi as in join.
