Home Learning using Seesaw

Well done to all pupils who have been able to access their homework using Seesaw since the school introduced this. The children have found many creative and interesting ways to share their learning with us. If you are finding it difficult to get on to Seesaw, please contact the school office. If you would like a tutorial on how to use Seesaw, please visit <https://www.youtube.com/watch?v=W9FyB1SCbeM&t=2s> or search in You Tube for 'Seesaw Home Learning For Parents' and a tutorial video by Mr P ICT, a teacher who helps train teachers all over the country in many aspects of Computing. He initially talks about the Seesaw Family App; don't worry about this as we have asked you to download the Seesaw Class App. This tutorial video is a great place to start if you are unsure how to support your child's learning from home.

Message from the PTA

Sadly we have had to cancel the Halloween disco this year as we are unable to make it Covid safe. We know the children will be disappointed but we are hoping to have another school event to celebrate.

Thank you so much to all parents that have expressed an interest in joining the PTA. Apologies for not being in contact yet. Over half term break we will send welcome emails and details of our AGM which will be via Zoom during the next half term. Once again apologies for the delay and all the PTA look forward to meeting you virtually. Have a great half term holiday!!

Thanks, Rebecca (Chair)

Poppy Designing

Tesco on Southampton Road are encouraging children to design and make their own poppies. Let your child's creative mind go to work to come up with their own poppy. More information can be found on the following pages.

Poppy Colouring

Due to the current situation there will be no poppy sellers this year. So to support The Royal British Legion they have designed a poppy which your children can colour in and display in your window at home.

Downloadable sheets can be found here <https://storage.rblcdn.co.uk/sitefinity/docs/default-source/fundraising/royal-british-legion-downloadable-colour-in-poppy.pdf>

Flu Immunisation

Reminder these are to take place on Tuesday 3rd November 2020.

Hot School Dinners

We are delighted to inform you that we have agreed a hot lunch menu with HC3S, our catering providers. Children are currently having their lunches in the classroom so we have opted for simple (and relatively clean) options.

Monday	Tuesday	Wednesday	Thursday	Friday
Jacket potato with beans	Tomato pasta	Sausage roll	Jacket potato with cheese	Fish finger bap
Chicken burger	Tuna and sweetcorn pasta	Vegetarian sausage bap	Chicken goujons in a wrap	Pizza slice

All of the above options come with vegetable sticks, fruit and a dessert.

Our online ordering / payment system for next term, www.eduspot.co.uk (School money parent login option) is now live. Please go online and book your child's meals over half term ready for our first week back from Monday 2nd November.

Please email admin@oldsarum.wilts.sch.uk if you need a password reminder for the Eduspot website.

Free School Meals Y3-Y6

If your child is in Y3 – Y6 and receives free school meals, please remember to order their meals online. If this is not done, they may be ordered something they do not like by the school office. We appreciate your help in ensuring all meals are ordered online in advance by the parents.

Parking

Please can we remind parents and carers that the clearly marked disabled spaces in the car park are for those who are registered disabled and have a blue badge. Please do not park in these on drop off and pick up unless you need the space.

Car Park Safety

It has been noted that on a morning some children who are waiting to come onto the school grounds are without an adult and have been seen to be running around the cars without looking. This is dangerous as cars come and go often and we would hate for there to be an accident. Please do speak with your child if they come into school on their own about road safety.
