

FOSPTA Update

winter term updates.....

Hi everyone

As I'm sure you are all now aware, despite planning a Halloween Spooktacular day in school it has now become apparent that there are going to be a number of children isolating from school on the actual day. We are working hard to try and provide some of the games that the children would have been playing in school via online platforms.

Currently Mrs Townend is planning on doing a zoom games call and fancy dress competition in the morning on Friday 23rd for any children who are not in school or taking part in a school bubble party. If you are happy for your child to take part (accompanied by a grown up) Log in details are as follows

Time: 11 am

Where: zoom

Meeting room id: 986 815 4458

Password: mWsw5V

More info to follow

If you can please still donate your £2 as all the profits are going towards our mini bus.

Pumpkin Carving Competition

Last year we did a pumpkin carving competition for the whole school. We are doing this again this year x any pumpkins need to be in school by the Friday morning at the latest so that the school council can judge the winners. There will be a 1st prize for each key stage plus a bonus prize for most extravagant pumpkin!!

Please can children drop off key stage 1 pumpkins under the sky platform on the bottom yard and key stage 2 pumpkins into the shed on the top playground. Thank you

XMAS RAFFLE and VIRTUAL MARKET

We now have the Xmas market up and running and already have more than 20 stall holders online to provide you some great Xmas shopping ideas and opportunities

All the stall holders have provided a raffle prize too so there are some fantastic things up for grabs on our Xmas raffle x

As with the summer raffle we are doing a ticketless raffle to avoid sharing of items between households and tickets are just 25p each. They can be purchased either by sending the money into school with your child in an envelope labelled raffle and the name and number of the ticket holder or by the money pool link below. Either way your entries will be added to our list and allocated numbers via an online raffle system. This was really successful in the summer and we hope we can raise as much as we did then if not more to go towards our much needed school mini bus.
