

Flora Gardens Primary School is falling down; it is not fit for purpose

With your support we will:

- *Create a new high-quality enhanced single-form entry primary school and nursery.*
- *Provide a variety of outdoor learning and social areas.*
- *Provide an improved learning environment which is larger than the current provision.*
- *Provide a special educational needs resource centre with a multi-sensory room and group space.*
- *Provide a science and cooking studio.*
- *Create a new 2-court sports hall which has the potential to be used by the community outside of school hours.*
- *Provide a bespoke school for your children and 1000's of children in the future.*

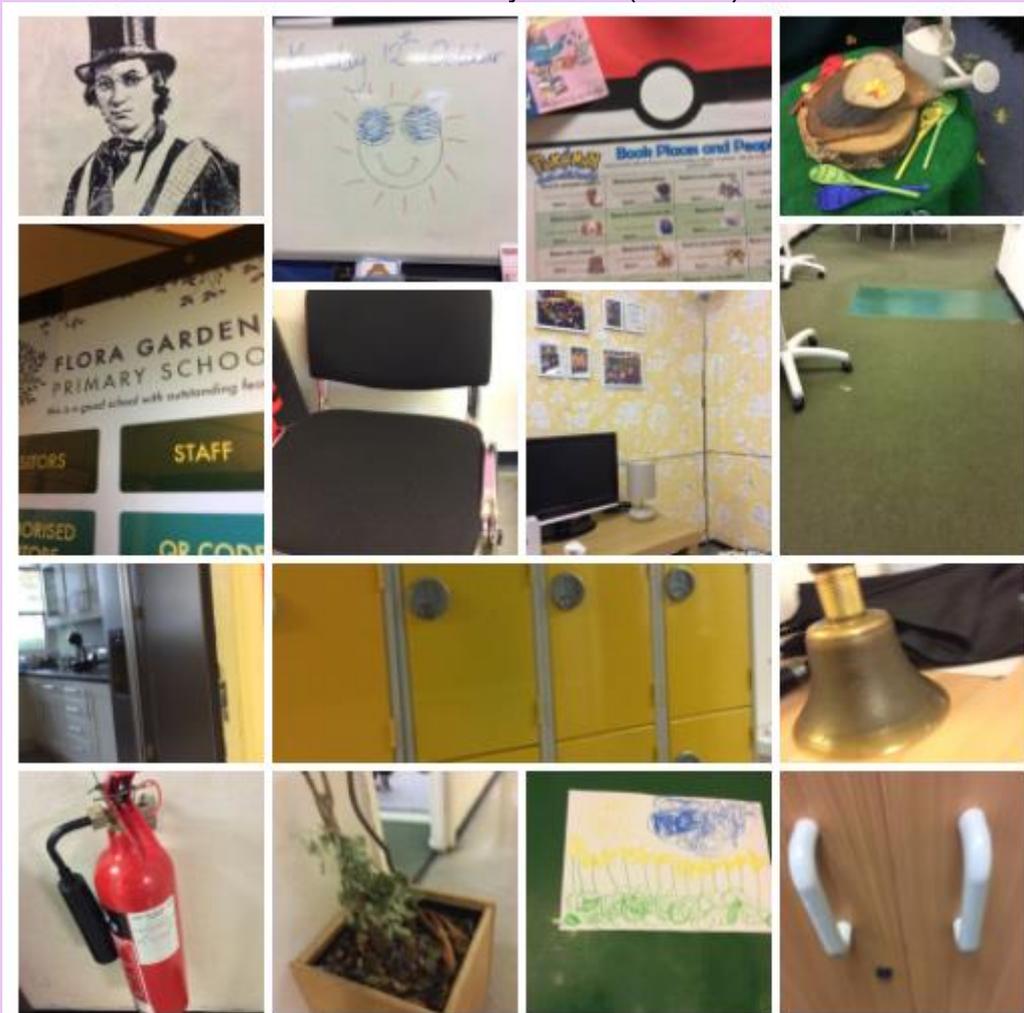

[Click here from WEDNESDAY 21ST OCTOBER to support our school:](http://www.lbhf.gov.uk/flora)

www.lbhf.gov.uk/flora

Paper copies of the form will also be given to your child on Wednesday for you to complete and return to the school.

This week in Journalism Club we looked at photography. We have taken lots of close up photos for a challenge. Can you guess where all these places are in the school?

Photos taken by Adam (Year 5).

We are participating in the annual Poppy Appeal and we will be arranging sale points for the pupils in the playgrounds. This will begin after the half term break.

Year 6 parents must ensure that secondary school applications are submitted by 31st October.

You can find lots of information on the secondary school application process on our website:
<https://www.floragardens.lbhf.sch.uk/info-1/secondary-school-transition>

Value Award Winners

- Nursery: Maleeyah**
- Reception: Kosta**
- Year 1: Amiyah**
- Year 2: Aisha**
- Year 3: Kye**
- Year 4: Emilia**
- Year 5: Odri**
- Year 6: Nadir**
- PE: Lily**
- Music: Year 3**
- Spanish: Ioana**

This week parents/carers will receive a form for the nasal flu vaccine. The Joint Committee on Vaccination and Immunisation has recommended that the routine seasonal flu programme should be given to children to lower the impact of influenza on children and lower influenza transmission to other children and adults. This will also have an impact on reducing sickness levels in schools and therefore be beneficial to both pupils and staff.

Please sign and return the form to your child's teacher before the half term break as the vaccines will take place on 5th November.
