Friday 9th October, 2020

Dear Parent / Carer,

Thank you for your continued support with all the arrangements that are being put in place.

Break – available to purchase from the school kitchen

Lunch – available for ALL children

PLEASE REMEMBER: We are unable to take cash payments, therefore, if you would like your child to buy break or a hot meal from the school kitchen, you must set up a credit payment with School Gateway. If you do not have a user login for School Gateway please email Mrs Wingar ywingar110@c2kni.net and she will help you get connected.

Accessing Technology for Home Learning

Thank you to everyone who has already completed our survey on Class Dojo regarding accessing technology for home learning. If you have not already done so, we would be very grateful if you could complete this by Monday 12th October. The results of this survey will help us to plan the way forward if any of our classes have to participate in home learning.

Photographer in School

There will be a photographer in school every day next week to take lots of photographs of our children taking part in different activities throughout the school environment. We are hoping to use some of these photographs to update our school website and on additional promotional material. It would be appreciated if you could ensure that your child is dressed in full school uniform.

IMPORTANT: Be assured these photographs will only be used if you have given your consent.

Harvest

Unfortunately, due to Covid-19 restrictions we are unable to have a harvest assembly in the school hall. However, all the children in school are currently preparing some songs, poems and readings which we are hoping to record and make into a short video to show in each individual classroom on Wednesday 21st October.

As part of our harvest celebrations, we would be very grateful if every child could bring in one tinned item of food to be donated to a local foodbank.
