

Dear Parents,

This week your child has learnt the sounds:

ck, b, f, ff

The tricky words (that need to be learnt by sight) are:

I, the, to, no, go

Please support your child with phonics by practising writing the letter and saying the sound not the letter name. We are following the programme Letters and Sounds. We have provided a link to a website where you can access the games and resources which will help you support your child at home <http://www.letters-and-sounds.com/>

The story that will be sharing in class after the half term holiday is **Whatever Next by Michael Rosen**

Thank you for your support.

The Reception Team
