14th October 2020

Dear Parents/Carers,

Harvest 2020

Harvest is a time for giving, a time for thanks and for recognising and sharing with those less fortunate.

This year our school is supporting homeless people who need help in our community, through the charity Turning Tides. This year, you can choose to donate food items or toiletries at the gate which can then be quarantined, or give a monetary donation. We are going to have a mufti day on **Friday 23rd October** in exchange for donations to Turning Tides.

Harvest is a hugely important time – last year, schools and churches across the county donated 25k of food items which fed local homeless men and women into the winter months.

Donations mean that Turning Tides can buy essential items according to need and plan carefully to provide enough food for those they help for the full year ahead. Donations will also enable fresh produce to be bought which supports better health and immunity at this critical time.

Monetary donations can be made online, via School Money, or into a money pot at the gate on the day – coins will then be quarantined. We look forward to supporting a fantastic charity doing vital work on homelessness locally.

Yours faithfully,

Steve McGinley
Headteacher
