Dear Parents/Carers

## **CHANGE TO Y2 START AND FINISH TIMES**

As you are aware, we have been waiting for the second gate to be installed on Peter Road before reviewing the start and finish times of Y2 children.

Now that the gate has been installed, Reception and KS1 parents and children can leave the playground through different exits and maintain social distancing. We can, therefore, change the Y2 times to fit more with a typical school day which allows more consistent teaching to take place.

**The school day for the Y2 children will change from Monday 2<sup>nd</sup> November to:  
9.00am start – 3.15pm finish**

If you also have children in Y1, you can choose to bring your child in at their time at 8.45am. When collecting your child, you can collect your Y1 child at 3.10pm and then your Y2 child at 3.15pm.

If you also have children in Reception, you can drop both of your children off at the Reception classroom door and we will walk your Y2 child through to their classroom, as both children will start their day at 9.00am. When collecting your children, please collect your Reception child first at 3.00pm and then walk around to the KS1 playground to collect your Y2 child at 3.15pm.

For those parents who also have children in the Juniors, please drop them in school first and then bring your Y2 child at 8.45am. Alternatively, Breakfast Club is available from 8.00am at a cost of £2 per child – you must register for a place with your class teacher. When collecting your children from school, please pick up your Y2 child at 3.15pm and then make your way over to the Juniors.

We understand that there will be families for whom the above suggestions will not suit, and we will do our utmost to ensure that every individual family is supported to bring their children to school. If you have any questions or queries, please speak to your class teacher, myself or Miss Green on the playground so that we can sort this out for you.

Kind regards

L Melia  
Headteacher
