CELEBRATION NEWSLETTER

We hope you enjoyed the opportunity this week to speak with your child's teacher and celebrate the progress they have made since returning in September. It's a short newsletter this week because we will be sending out a celebration newsletter for each year group allowing you to see some of the amazing learning that has taken place this term. These will be sent out via the School Jotter and a copy kept on our website - <https://www.meridianschool.co.uk/parents/all-newsletters>.

I hope you all have a restful half term break and look forward to seeing you in term 2.

Mr Doody (Deputy Headteacher)

Reception, Key Stage 1 & 2

Commendation Celebration

Due to staff availability we were unable to run commendation assemblies this week.

Celebrating our school values.

Over the past seven weeks I have been amazed at how our children have settled back into school. They have shown such **kindness** towards each other and real **strength** in adapting to the changes we've made to keep them safe.

Attendance Award

2M, 3B & 6H

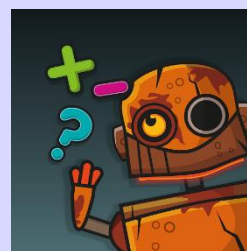

100%

COMPETITION TIME

23rd – 30th October

The children have all been entered into a whole school competition with the winners scooping some fantastic merchandise donated from the Numbots themselves. To enter all your child has to do is play in any game mode on TTRS or Numbots little and often (we recommend 5 minutes each day) and focus on improving their accuracy and speed in responding to the questions. Winners will be announced on here in the first week back. Good Luck!

The Behaviour Cup

1st – 6dP

2nd – 4Y

3rd – 6H
