

# LONG LEE PRIMARY SCHOOL

Autumn 2020

23.10.20

## Autumn 1

What a busy half term we have had! Thank you so much for all your hard work and support as we have returned to school. The staff and children have all worked really hard to ensure our return to school has been a success. We are so proud of how well the children have settled in to their new classrooms and implemented our new routines and ways of working in our bubble system. We are grateful for your support and the communication between home and school has been really helpful to allow us to reflect and refine our systems to keep our whole school community safe.

## Harvest

A huge thank you for all the kind donations of tinned good and packets of food for our Harvest Collection. We will be sending everything to the Living Lights Foodbank Charity and this will then be shared locally to families who need it. The children have spent time this week thinking about Harvest and reflecting about those less fortunate than ourselves, particularly in these unprecedented times.

## World Maths Day Quiz

We hope you have enjoyed Mrs Adamson's little quiz. If you haven't had time to do it, this is something you may like to do in the half term holiday.

## Secret Shop

Don't forget to complete your 'Secret Shop' reply slip. The closing date for this is Tuesday 17th November.

## Children in Need 2020

This year Children in Need will be on Friday 13th November. We will be having a yellow or spotty themed non-uniform day for a 50p donation and there will be activities in each class to do on the day. Children won't need any more than £2 to spend. There will be further details about this after the holiday.

## Covid - 19

We thank all our parents/guardians for their support in following the systems we have in place for everyone's safety in the current climate. May we remind you that we reserve the right to take action where procedures are not followed. We ask that if your child is tested positive for Covid - 19 in the holidays, you email [headteacher.longlee@footprintsfed.com](mailto:headteacher.longlee@footprintsfed.com) so that we are able to inform members of our school community if applicable.
