

# Nursery Newsletter

*Whitehall Infant School is a five star school with a FRESH approach. We provide five star learning for all, with family at the heart of everything we do. We teach our children to have respect at all times. We want our children to achieve excellence, whilst being safe and happy.*

It has been lovely getting to know the Nursery children and their families. The children have settled in well and learnt the routines and rules. It is great to see them forming new friendships, exploring the Nursery environment and learning to share with others. Thank you for following the school procedures for collection and pick up and wearing masks whilst doing so.

## Winter clothing

Now the weather is colder, please remember to send your child to school with the following every day:

- Winter coat (labelled with their name)
- Hats, scarves and gloves. These must also be labelled with their name.
- If possible, attach your child's gloves to a piece of material or elastic and put this through the arms of their coat. This stops children from losing their gloves.

## Developing Independence

Over the half term, please teach your child to put on their own coat and do up their buttons or zip.

## Bookbags

- Please remove your child's work from their bookbag every day.
- Bookbags should only come into school containing your child's reading record and reading books.
- Please do not leave anything from home in your child's bookbag.
- Please ensure your child's bookbag is clean and in a good condition.

## Reading books

Reading books will be sent home every Friday.

## Reminders

- If your child is ill for any reason, please call the school on 01895 590112.
- If your child is displaying symptoms of Covid (high temperature, continuous cough, loss of taste or smell), please contact 119 to arrange a test.
- Please see the flowchart on the next page for a reminder of what to do if your child or someone in your household displays symptoms.

Our topic next half term is '**Celebrations**'.

Please send in photos of your child celebrating a birthday / Christmas / Diwali or any other event they have celebrated.

## Autumn Walk

The children are enjoying looking at the changes to our environment in Autumn.

Why not take an Autumn Walk with your child in half term and ask them what changes they can see?

**We hope you have an enjoyable and restful half term break.**
