Remote Learning - 'How to Guide'

Below are the different ways you can access Remote Learning from Stockingford Academy if your child is having to work from home. We continue to take feedback to improve our offer, so if you have any thoughts, don't hesitate to contact us.

Reception

Activities will be uploaded to your child's Tapestry account for you to complete at home. Please continue to post comments and questions via this platform.

Years 1 - 6

We now have all of our Remote Learning resources up and running on your school website. The following guide tells you how you can access this information and what you will find. If you have any questions, don't hesitate to contact your class teacher or school office.

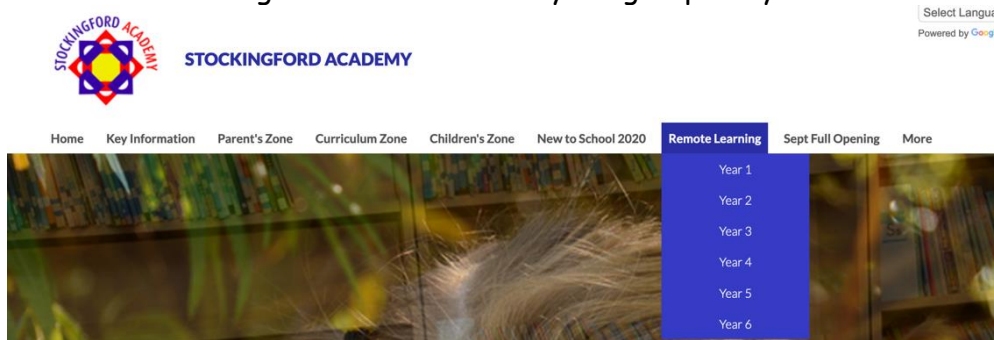

Step 1

*Go to your school website www.stockingfordacademy.org

Step 2

*Click on Remote Learning tab and choose the year-group for your child.

Address: Cross Street, Nuneaton CV10 8JH

Telephone: 024 7638 2277

Email: admin2121@welearn365.com

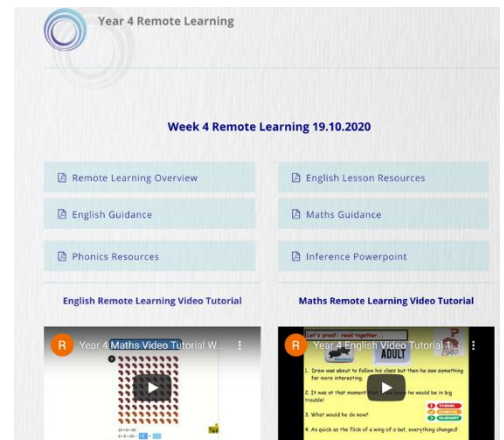

CEO: Mrs L Whitehouse
Headteacher: Mrs G Bowser

Step 3

*You'll find video-clips, lesson sequence PDFs and activity sheets for you to complete with your child.

*Please upload any questions or completed work to your child's Class Dojo page. If you have any queries or questions about the work provided, you can post these via Class Dojo as well.

*Weekly work is uploaded on a Tuesday afternoon to be completed by the following Monday.

Technology

To find out how we can support families at home access and use our Remote Learning resources, we have put together a brief Remote Learning Survey Monkey Questionnaire. This will enable us to support families where there isn't any device, or one device is being shared amongst a number of children/ adults. This may become an issue to access Remote Learning resources if everyone has to self-isolate for a period of time. The DfE are providing schools with some technology support to distribute to families but we are looking for ways to increase this at Stockingford Academy.

Please click on the link below to access our questionnaire.
