At this difficult time, we continue to monitor and follow government guidelines in school and review and adapt our risk assessments accordingly. Please support us in keeping your child, our staff and our whole school community safe by adhering to the restrictions and not putting lives at risk.

Please be assured that, in the event of a positive test in our school community, we will be in direct contact with the Department for Education and will act on their advice. If it becomes necessary to close a 'bubble' in school, you will be contacted as soon as possible after that decision has been made.

## Reminder of COVID-19 symptoms and what to do:

### Main symptoms

The main symptoms of coronavirus are:

**a high temperature** - this means you feel hot to touch on your chest or back (you do not need to measure your temperature)

**a new, continuous cough** - this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)

**a loss or change to your sense of smell or taste** - this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

### What to do if you have symptoms
