## Flora Gardens Primary School - proposals for redevelopment consultation now open!

The redevelopment of Flora Gardens Primary School is part of Hammersmith & Fulham Council's new Schools Renewal Programme that aims to improve school facilities and maintain our high level of educational achievement by providing new well-designed schools. To fund the delivery of a new school, it requires new high-quality homes for either private or public rent or sale to be built alongside the school.

This week in Journalism club we asked the pupils what they would change about our uniform and why. We then designed our own uniform and persuasively wrote to Mr Naismith!

Dear Mr Naismith,

We are writing to you because we are asking if we can change our school uniform. We think a blazer and tie would make our uniform smarter and we would therefore work better. We also think that it would suit the feel of the new build school. Our new logo should include more flowers because we are called Flora Gardens Primary School.

Please consider our request.

Many thanks,

Eloise, Adam and Pasha from Journalism Club

Reception have been learning about Autumn this week. They went on an Autumn walk to look at all the changes. They then made their own leaf man, inspired by the story!

**Ruby House fundraising day will take place on Friday 6<sup>th</sup> November. Pupils can dress up in red clothing for the day. The difference is this time we will not be asking for donations due to the current climate but will still be raising awareness of the British Heart Foundation. You can find more information on the work of BHF here: <https://www.bhf.org.uk/>**

We are collecting for Hammersmith and Fulham Foodbank. During the past year, many people have lost their jobs and with Christmas approaching, we thought it only right to do our bit to help those who are most in need. We have emailed parents a list of possible donations which can be dropped off in the box outside the main office in the lead up to Christmas.
