3<sup>rd</sup> November 2020

Dear Parents/Carers,

Before half term your children worked on creating a Christmas card design. A free sample of your child's personalised Christmas card will be coming home this week. If you would like to order a pack(s) or any other products such as gift tags, mugs and so on with your child's design on then please complete the order form that will come home with the card.

Please return any orders, along with the completed order form and payment in cash (correct money must be included as no change will be available) or cheque (made payable to **BRANGORE SCHOOL ASSOCIATION**) no later than **Tuesday 10th November**.

There will be collection points on each entrance at drop off in the mornings for you to place your order envelope in, this will then be quarantined before it is handled.

The packs of cards will then be delivered to school and given to children in due course.

Many thanks for your support.

Rachel Sands  
BSA Chairperson
