3<sup>rd</sup> November 2020

Dear Parents and Carers,

School Photographs

Braiswick Photography will be in school next week, Thursday 12<sup>th</sup> November to take individual photographs.

They will take one individual picture, which will be done during the course of the school day in the school hall. The photographer will be wearing personal protective equipment and classes will be kept within their bubbles. Unfortunately, due to Covid restrictions we will be unable to offer sibling photographs this year.

***Please note photographs can only be taken if an Initialled Image Consent form has been returned to school.***

You will receive proof copies of the photographs fairly quickly, which will have a date to return to school if you wish to place an order. Late orders can be placed online but may incur a small fee.

The photographs will be back in time for Christmas and make lovely presents for family. There will be several package options at varying prices, but of course you are under no obligation to purchase anything at all.

Yours sincerely

Mr S McGinley  
Head Teacher
