Date: 6th November 2020

Dear Parents/Carers,

This year more than ever we have witnessed the positive power that society can have when we come together to tackle a common challenge. As a school we would like to spend the next two weeks focusing on well being and anti-bullying.

Well Being Week
9th - 13th November

Next week is our Well Being Week where we will be taking part in daily activities throughout the school. Through Children in Need, we will be following the *Five to Thrive* programme where children will be looking at ways to support their mental health. On Friday the children will be taking part in the *Be Active* strategy where they will join Joe Wicks in his bid to teach PE for 24 hours. We would ask that the children come to school in their own sports clothes (no football kits) with a donation towards the Children in Need cause.

Anti-Bullying Week
16th - 20th November

Anti-bullying week 2020 is happening from Monday 16th November and has the theme *United Against Bullying*. The children will spend the week taking part in activities which will begin with Odd Socks Day on Monday 16th November. We invite your child to come to school wearing odd socks as a way to celebrate that every child is unique. No donation is required.

We thank you for your support with both initiatives.

Yours sincerely

Mrs Nell and Miss Yates.
