## IMPORTANT MESSAGE FROM SANTA

Hi Boys and Girls,

I believe some of you are worried that I might not make it to your home this Christmas Eve due to the Covid virus. Please don't worry, I have clearance from every country. My reindeers and myself are all fit, well and ready!

Due to all the restrictions in the workplace, some of my elves have not been able to work. Sadly, we also cannot get all of the materials needed to produce all of the toys you have asked for. We are working as hard as we can but some toys will not be ready. If you do not get everything you have asked for it is not because you have not been very good, in fact you have all behaved excellently during these tough times. It is because, unfortunately, I just cannot have them all made by Christmas. Some of you may get what you asked for but if your sister, brother or friend do not then please be kind to them as I know they will be disappointed.

Everyone will get presents and if it's not exactly what you asked for, I do hope you understand. Stay safe, keep up the good work and make sure you are all asleep on Christmas Eve so that you won't see me! Tell your Mum and Dad to share this with their friends so every child knows I will be at their home for Christmas.

Love and best wishes,  
Santa Claus  
The North Pole

## Attendance Raffle

The winner of the attendance raffle is  
**Beau in Reception.**

Keep up the good attendance. There were 96 children in the raffle this half term.

Got to be in it, to win it!

## CGP Books

These are live on ParentPay—the last day to order is Monday 9th so these can be delivered as soon as possible.

## - REPORTS -

Reports will be sent home tonight. These have been put into envelopes for 24 hours to reduce transmission. There is one report per child and each one has a section to return if there are any parental comments or concerns. If these can be sent back to school in the envelope and we will keep them for 24 hours before opening them. Thank you to the staff for completing these, as I am sure they'd have much preferred a parents' evening to share your children's work and to discuss their settling in period.
