

Message from the PTA

To all Parents, Carers and Grandparents

Your Child's Christmas Drawing

Before the half term break, your child(ren) did a Christmas drawing or painting within class (except for Year 6 who should be doing it shortly). The PTA sent it off to www.mychildsart.co.uk where it has been uploaded onto their confidential portal.

You can raise money for the school by buying a variety of products with your child's design or/and uploading a personal photo or a different drawing. Products start from only £1.99 plus P&P and include Christmas cards, thank you cards, magnets, bags, coasters, gift tags, water bottles and more....

You would have already got a A5 leaflet sent home in the book bags explaining how to access the portal to view your child(ren)'s drawing(s).

Please log into www.mychildsart.co.uk/order and use the unique codes below to view your child's drawing and buy your products.

Username: Coopersale

Password XntwLHwK

*Please type the details in carefully.

NB:

- In order to view your child's design, you type in their name and the drawing will show up.
- If you have more than one child in the school, you can view more than one design and just select the image you want to use for each product.
- When you go to the checkout to pay, it does prefer you to use paypal, but if you keep going through you get the option to pay by card
- Remember you can upload your own photos and drawings in addition to your child's Christmas drawing e.g. I have purchased Christmas cards with my children's drawings and thank you cards with a photo that I uploaded.
- Any queries there is a FAQ section on the website or please contact Emily, mother of Sophia and Jasmine 07810 771 666

The PTA would like to sincerely thank you in advance for any purchases that you make and your support with this project as we are currently unable to run any major events in order to raise funds for our school.
