Inspiring Learning For A Positive Future

## Diamond Wood Friendship Day

We are holding our Diamond Wood Friendship Day on Wednesday 11<sup>th</sup> November 2020. This is part of our PSHE curriculum and will continue our work developing childrens' social, emotional and behavioural skills.

Activities will coincide with National Anti-Bullying Week and will shine a light on bullying and promote friendship and accepting difference.

Lessons will focus on helping children to develop the skills, understanding and confidence, to recognise and act when they see or experience unkindness towards others. As always, there will be fun activities linked to the anti-bullying theme and a virtual school assembly.

Stopping bullying requires us as adults to stay in charge, stay aware, set a good example, intervene to stop unsafe or disrespectful behaviour and teach personal safety skills.

Our children have the right to be safe and respected, but we need to teach them to act responsibly, safely and respectfully towards others.

Please do not hesitate to contact me if you have any questions.

Kind regards.

*A. Farrar.*
