Dear Parents/Guardians,

## Oxford Owl Online E-book Library

To support with home learning, we have purchased the Oxford Owl online e-book library for families to use at home. Here, you will find a range of online books at different levels, which your child can read to you, or you can read together. This is in addition to their usual reading books they bring home each week.

With our subscription, we have 5 school log ins. Each log in will only allow 50 children to access the site at one time. If you are unsuccessful in logging on using one of the usernames, it may be that 50 other children are using it, so please try a different log in.

Five different usernames:

**stpatsread1**

**stpatsread2**

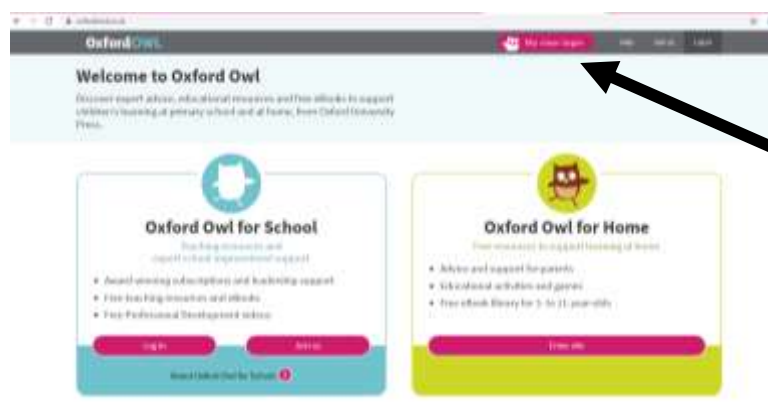

**stpatsread3**

**stpatsread4**

**stpatsread5**

Password for ALL usernames: **stpats1**

To use the website, go to [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk), and log in on the 'My Class Login'

You will then have access to the e-library, along with the Letters and Sounds (phonics linked) packages. You can search for books based on the current phonics phase they are working on within the Letters & Sounds section, or the age of your child through the e-library. If your child's bubble has to close, you may be referred to certain books in the library that link to their home learning lessons.

We hope you find this resource useful, and a different way of engaging children with reading for pleasure, which we have no doubt will also support their reading progress.

Yours Sincerely

*J. Smith*
