

Dear Parents and Carers,

The children all now have access to e-books on the **Bug club website**. These e-books are linked to the book band colours so that the children will be reading the correct levels.

The login details have been stuck on the back of your children's reading diary.

To login on to the site:

Go to: <https://www.activelearnprimary.co.uk/>

Enter your child's login details:

Username:

Password:

School code: **zdhi**

My Stuff

Once you are logged into the site click on the '**My Stuff**' tab and your child will be able to access a range of books appropriate for them to read at home.

Throughout the books there are comprehension quiz questions which your child should complete.

To answer a question, click on the Bug icon.

When your child has finished all of the quiz questions in a book, they will earn coins which they can then spend on '**rewards**' in one of the reward areas accessed via their homepage.

Library

All completed books move to the '**My Library**' area of children's homepages.

Children can read these books again if they want to, or they can choose new books from their 'My Stuff' area.

The children will have more books allocated by the class teacher as they move book bands.

There is also a '**Grown ups**' tab if you would like any more information about the programme.

Kind regards,

Miss Fisher
