'Love each other as I have loved you' John 15 v 12

Our school virtues are: Love, Moderation, Courage, Justice, Hope, Faith, Wisdom.

Newsletter week ending 13th November 2020

Mrs Truslove writes:

This week we managed to socially distance the whole school and join on the playground for Remembrance Day. Year 6 led us and read the names of the men of East Haddon who lost their lives. There are photos in the gallery.

It is lovely to see you all in your pyjamas today supporting Children in Need. As we are all aware charities have been hit hard this year and it is good to be able to support in our own small way. Well done - you raised £108.96! Photos will be on the gallery shortly.

Mrs Barnes / Mrs Truslove

In maths, Year 1 will be learning to describe position and direction using common words (including half turns); compare lengths and heights; estimate, compare and measure lengths using uniform non-standard and standard units. Reception will be exploring measurement.

During history we have been looking at old and new toys. As it is currently inadvisable to bring in toys, it would be helpful, if you have any old toys, to talk about them with your child and discuss the differences between old and new toys. Are their toys the same as the ones you (or grandparents) had as a child?

Mrs Gibbins

We are moving onto the 11x in times tables next week. We will hopefully start designing and making our sets for our pantomime work next week and any extra shoe boxes would still be greatly appreciated. Thank you to everyone who has brought in shoe boxes already.

Mrs Pickles/Mr Wilkinson

It is a different Geography related homework task this week. Your child need to locate the places on the map correctly and learn them for next week

Next week in maths we will continue with fractions, decimals and percentages.

Times tables: 7x table.

Homework this week:

Yr6: Maths: 3 pages in the CGP books on multiplying and dividing fractions (p.32,33&36).

English: 3 pages in the Grammar book on basic punctuation (p.36&37).

Yr5: Maths: 3 activities on Mathletics on equivalent fractions and mixed numbers.

English: 1 page in the Grammar book on punctuating speech (p.64).

Yr4: Maths: 3 activities on Mathletics on adding and subtracting fractions.

English: 2 pages in the Grammar book on punctuating speech with ? and ! .(p.62&63).

Movie Night

On Friday 4th December we are planning to hold a movie night and snacks from 3.30pm-6.00pm. This will follow a similar (but COVID aware) format to previous years so watch this space!

Achievements

Congratulations to Jack and Joseph, for doing so well in their piano examinations. They both had to submit a video of themselves performing four songs back-to-back. Joseph took his grade one examination and achieved a distinction. Jack took his grade two examination and achieved a very high merit (only two marks off a distinction). Their dad says that they did well considering that they hadn't been able to have lessons with a proper teacher since the first lockdown - they had to put up with lessons from dad - but all of their practice paid off!

Well done Jack and Joseph!

Youth Sports Club –virtual after-school club

Following the recent guidance surrounding extra-curricular clubs, the Youth Sport Trust have taken the step to deliver a free virtual after school club as part of a national response to the second lockdown.

The 30-minute club will take place at 5pm each weekday and be led by a different member of the YST's athlete mentor network, starting on Thursday 12 November with world no.1 female inline skater and 10-time British Champion Jenna Downing. The After School Sport Club will then run for five weeks until December 18 and children and young people can take part live by visiting their YouTube channel - <http://www.youtube.com/user/YouthSportTrust>

Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club - Adventure Monday, Tuesday Play, Wild Wednesday, Thinking Thursday and Fun Friday. The YST hope that this will provide support, capacity and inspiration to sit alongside the other great work and offers that are available for schools and children and young people to engage in.

Thanks to the Youth Sport Trust for this information.

Recycling

We are currently not collecting recyclables. This may change in the future - we will keep you updated.

Academic year 2020-21

TERM 1	Training Day	Tuesday	1 st September
	Training Day	Wednesday	2 nd September
	Re-open	Thursday	3 rd September*
	Close	Friday	23 rd October
