Friday 13<sup>th</sup> November 2020

Dear parents, pupils, governors, staff and parishioners,

## Mike Mullen BMX Champion

On Wednesday 11<sup>th</sup> November we welcomed Mike into school to launch our focus on Growth Mindset. We started the day with a whole school assembly outside which was really special as it is the first time we have gathered all together in that way this year. Mike talked to us about his journey to becoming a BMX World Champion and the challenges he faced along the way. He taught the children about staying resilient and how important making mistakes is in a learning journey. The children then had experienced the 'wow' factor of him performing some tricks on his bike for us. For the rest of the day KS2 had workshops with Mike to have a go at learning some BMX tricks. The children were amazing and really took on board his teaching and about practicing until they could perform the different tricks. It was a fantastic day and the children got such a lot from it to begin our journey on establishing an ethos of 'Growth Mindset' here at Our Lady's.

## Children in Need Day

Thank you to our Head Boy and Girl for organising our Children in Need pyjama day today. Children have also taken part in yoga, making friendship bracelets and a special hot chocolate treat to end the day. We are delighted to have raised £140 for Children in Need this year so thank you for your kind donations.

## COVID-19 Symptoms

Schools are working tirelessly to maintain education provision during this crisis, please help our school keep safe. To prevent the transmission of Coronavirus this term, if your child is unwell, please keep them off school until they are feeling better. If they continue to be unwell and then develop a high temperature, loss or change in taste or smell or a new or worsening of a cough, then please self-isolate and get a Coronavirus test. Please see Warwickshire Public Health flow chart below for guidance.

## Medicines

Please could we ask that parents collect any medication from the school office or class teacher at the end of the school day if required for home administration. Medicine cannot be passed on to a child. Thank you in advance for your cooperation.

## Hoodies

The first order of school hoodies has been delivered. The children look very smart in their hoodies and many have commented on how cosy and warm they are. We are expecting one more delivery this term. Parents who would like to order a hoodie, please fill in the form and pass on to the school office with payment before Friday 27<sup>th</sup> November.
