Value of the month - Peace

This month in school we are reminding ourselves of the value of Peace. We have especially reflected on strategies we might use to find an inner peace and learnt about Remembrance Day. Attached to this newsletter is a Welcome to Family VibEs, brought to you by Values-based Education International this contains further information and ideas for how you might explore the values of Peace together at home.

Remote education overviews

In the event that your child has to self-isolation or the school has to partially or fully close a full remote education offer will be available to your family. Documents outlining our school offer for each age group are available on our website and were planned in response to the recent parent consultation and staff/governor discussions.
