15th November 2020

Dear Parents and Carers,

Following the letter from Mrs Beaton on Friday, I am writing to give you a further update regarding the situation in school related to Covid-19.

We are pleased to report that, at this present time, there is no evidence of transmission of Covid-19 within the school. All test results that have been received to date, regarding members of staff within the bubble that was closed on Friday, have come back negative. In view of this, we are delighted to welcome back all classes on Monday. As always, we are continuing to follow government guidance and continuing to take all necessary precautionary measures.

Please may I take this opportunity to ask all parents and carers to:

- wear a mask on school premises
- keep to government social distancing guidelines of 2m
- step away from classroom doors to let other families pass by and maintain the 2m distance
- leave the school premises as quickly as possible at drop off and collecting points, encouraging the children not to touch any PE resources that may be in the vicinity.

If you need to talk to a member of staff, please communicate through emails via the Admin@barby.northants.sch.uk.

Please find attached the Behaviour Agreement that was circulated on the first day of term. We ask that you remind your child of the contents of this prior to Monday.

As you will appreciate in these unprecedented times, the situation is ever changing. Hence, decisions are taken based on the information available at this time. If circumstances change we will, of course, communicate with you as soon as possible.

Thank you for your continued support.

Yours sincerely,

Cara Bolton
Deputy Head/SENCO
