

Barby CE Primary School

Behaviour Agreement For Children

As we welcome you back to school, we are sharing three new behaviour values that will make it a safe and caring experience for us all.

**Ready
Safe
Caring**

Ready usually means on time, with the right equipment and ready to learn in every lesson.

When we come back **Ready** will also mean:

- Waiting calmly for the school gates to open staying 2m away from each other.
- Walking along the pathway (not on the field) to your classroom door and following the teacher's instructions.
- Dressed sensibly in your school uniform and wearing school shoes that can be easily wiped down each day.
- Only bringing your packed lunch (if not taking an ABM meal), healthy fruit snack, full water bottle/s and medication. Leave everything else at home.
- Coming into school calmly through your designated door and washing hands before entering the class base

Being **Safe** would normally be walking around the school sensibly, communicating positively with others and playing positive games at playtime and lunchtimes.

When we come back, being **Safe** is our priority and will also mean:

- Keeping our distance from other people.
- Only using our own stationery and equipment.
- Staying in our seats during lessons.
- Using tissues for coughs and sneezes. Putting tissues in the bin as soon as you've used them.
- Following the designated routes around the school and following the rules about only one child in the toilet at a time.
- Making sure we wash our hands thoroughly for the recommended 20 seconds.
- Following the instructions of all staff during the day and especially at playtimes and lunchtimes.

Showing **Care** for each other is something you do really well and we display that with our body language and the words we use in conversation with each other.

When we come back, **Caring** is even more important because it shows we consider each other's feelings:

- Encouraging each other in our work with positive comments.
- Listening to each other if we want to share our ideas or how we feel.
- If we're worried about ourselves or our friends, sharing that with an adult.
- Being considerate towards each other's feelings.
- Understanding that different people may have had different experiences – happy and sad – over recent weeks and being sensitive to that.
- Listening to adults and being considerate about the feelings of the adults supporting us.
- Trying our best in every activity.
- Being kind to each other as we enter and leave the school site.

We want you all to be safe and happy in your return to school so please think about this Code carefully and consider how you can make sure that you show that you are 'Ready, Safe and Caring'.

Thank you!
