Social distancing

Over the last few weeks, we have seen a rise in children forgetting the rules with regards to social distancing within bubbles. We appreciate how difficult this is for children but please could parents and carers remind children to social distance to keep themselves and others safe.

We have been extremely lucky up to now not to have to close a bubble so we are keen to continue this for as long as possible.

Later today we will upload some information linked to social distancing to share with your children at home. Staff will also be continuing to reinforce this within school.

FOOD PARCELS

Food is still available for any family who wishes to come and collect. If this isn't collected we will be donating it to the local elderly.

HOMEWORK

Thank you for all of the parental support with spellings, times tables and catch-up work. This really is crucial for children especially after the prolonged school closures.

NURSERY PROVISION POSTPONED

It is with a heavy heart that our nursery opening will have to be postponed again. Having spoken to the staff, we feel it would be detrimental to begin a nursery with the current restrictions and would not provide the best start for our youngest children.

I hope there are not too many parents affected by this decision.

BEFORE SCHOOL

Please note before school opens at 8:45am/ 9:00am any child left on the yard is the responsibility of the parents/ carers. There have been a few incidents recently before school and these then impact on children once they are in school.

UNIFORM

A few reminders -

- Black school shoes to be worn daily
- Ties to be worn daily
- Black / Navy joggers / leggings for P.E
- White t-shirts for P.E.

CHRISTMAS LUNCH

This will be on December 16th and can be ordered via the Dolce website. The cost of these will be £2.20. if your child is on FSM this will be included in their free meals.
