Christian Value

This term we are reflecting on the value of Compassion.

A prayer written by Thomas, Year 3/4

Dear God,
Please help me to show compassion to others,
God please show compassion to homeless people
and the people who don't have food,
Please show compassion to the people who have to
drink dirty water,
Please help me to show compassion to my family and
friends.
Amen.

Anti-Bullying Week

On Monday, children came to school in odd socks to celebrate our differences and show we are all unique. Ask your children about their learning during Anti-Bullying week.

Century Winter Cup Competition

Over the next four weeks, Century will be tracking who has been answering the most questions and creating a leader board of schools around the UK.

There will be trophies awarded for each size of institution, so every school is in with a chance of winning!

We are encouraging our KS2 children to take part and complete as many questions as they can as part of their home learning.

Children in Need

Thank you to everyone who donated to this fabulous charity. We raised an amazing £217.60

Notices

If any person in your family falls ill with COVID 19 symptoms, receives a positive test result, or your child is required to self-isolate, please alert school as soon as possible via our new covid designated email address -

SJANotifications@questrust.org.uk

This will then enable us to take the appropriate action and fulfil our contact-tracing obligations. Please continue to use Class Dojo for all other communication with your child's class teacher.

Reminder

Please inform the class teacher, or the office, if someone other than yourself is going to be collecting your children.

Snack

Snack payments for January – April 2021 are now available on Parent Pay. No payments can be accepted after 11th December.

Attendance

Congratulations to Year 5/6 with the last week of terms highest attendance of 99.1%

Attendance Matters

The world is run by those who turn up!
Attending school every day = 100% attendance = Zero learning lost

Being late for school reduces learning time.

Make every minute of learning count.
