## Closures

The staff and I would like to thank you all for your continuing patience and support through this tricky time in our lives. We really appreciate how good you have all been at accommodating our staggered start and finish times, especially if you have more than one child at school. For those fifteen classes who have had some isolation time this term, we thank you for keeping your children going. Sadly, this is likely to be a repeating pattern this year. It isn't easy and we know it can sometimes be really inconvenient for you, but please be assured we will keep our positive Middleton spirit going for all the children and as always we will be doing our best with teaching and learning!

**Remember, if anyone in you house has symptoms, your whole household must isolate and the person with symptoms should take a test. Please notify school. If the result comes back negative, the isolation period ends for everyone.**

## Ofsted

Last Thursday, the school had a virtual Ofsted focussed on the safety measures that we had taken during Covid, the curriculum and home learning. The letter is due to be published later this week.

## Parent Governor Vacancy

If you are interested in this exciting voluntary role, please telephone the school and ask to speak to Mrs N Wood who can tell you more about the role.

## Reception 2021 Places

Please remember to apply for your child's Reception school place as soon as possible even if you are in our nursery.

## Children in Need

Thank you to all of the children and staff who dressed up for Children in Need and donated £1 (or more). Despite Y5 and 6 not being in school, we managed to raise **£319.20. Wonderful!** 😊
