News and Notices

Home Learning

It is vitally important that children complete their homework when it is set. Mymaths, bug club and spelling shed activities are set every week for all children in Year 1 and above. Please ensure that this is completed on time.

When children are self-isolating they must access the work that is set for them on their class page as well as completing their normal homework. It is clear that this is not happening. As a school we will be recording who is not accessing the work and contacting parents to offer support.

'After School Sport Club' Online

Similar to Joe Wicks, the 30-minute club will take place at 5pm each weekday and be led by a different member of YST's athlete mentor network. Aimed mainly at primary-aged children, a different theme has been assigned for each day of the club. The After School Sport Club will run for five weeks until December 18 and children and young people can take part live by visiting the YST's YouTube channel: www.youtube.com/user/YouthSportTrust

Christmas Activities

We have had a very difficult year and things don't seem to be changing a great deal as we approach Christmas. Even though things may be different, we want to make sure that children take part in activities that raise their spirits.

Christmas clothes / jumper day will be on 4th December (Bring £1)

Christmas dinner will be on 9th December—this must be pre-ordered

Virtual Christmas Pantomime will be on 10th December

Raffle tickets are now on sale

Children's Art Fundraiser

Please can I remind you that if you want to order your child's framed piece of art then please send in the form and the money (£5) in a named envelope by Monday 30th November.

Christmas Cards

Unfortunately, the children will **not** be able to send Christmas cards to each other this year in order to prevent the spread of infection. Please do not send cards into school We will be able to make cards to send home however. Thank you for your understanding.

Please make sure that you look at the school website for updates, polices, and home learning information.
