Dear Parent/Carer

BIRTHDAY CELEBRATIONS IN SCHOOL

We are very excited to announce something very special that will be happening at Christ Church!

As a result of the current Covid restrictions, many children (and staff!) are missing out on celebrating their birthdays with family and friends as they usually would. We understand our children have already had so many changes and have had to adapt to new rules and regulations both at home and at school. The emotional wellbeing of everyone in our Christ Church family is something that is very important to us.

Therefore, we will be giving everyone the opportunity to celebrate their birthday in school, with their class friends! We have decided that we will hold a birthday party in each class on the last Friday afternoon of each month. This will be to celebrate all the children, and staff, who have had a birthday that month. This means that our very first birthday celebration will be tomorrow afternoon!

On party day, all children will have their normal school lunch/packed lunch. During the afternoon, school will provide fun games and activities and a party atmosphere. There will also be a birthday muffin for each birthday child! All of the costs will be covered by school. Children must come to school in their school uniform as normal. If your child has already had their birthday during September or October, they will be included in the first birthday celebration which will be held tomorrow!

We look forward to the first birthday celebration, giving every child the opportunity to celebrate with their friends and mark their special day!

Yours sincerely

Miss Embleton
