

Kingfishers Class Newsletter 27th November

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

This week in Kingfishers, we have been learning about subtraction. The children have been solving a range of fluency, reasoning and problem solving questions. They have become experts in using equipment to take away a number from another number and find the difference between two numbers.

In English the children have been looking at the story of Superworm. We have enjoyed reading the story together and getting used to the rhyme and rhythm of the story. We learnt all about exclamation marks and how they add excitement to our writing. The children had a go at writing their own version of the story, I have been so amazed by the children's stamina for writing. Well done everyone.

Thought of the week

We have been thinking about how we can encourage each other to help each other with our learning and be brave with new challenges.

Stars of the week

Self-belief: Ciaran, for having a go at everything this week.

Kindness: Lilly for encouraging other members of the class in their learning.

Home Learning Challenge

Please find the learning challenge relating to our Learning Mission on Google Classroom.

Reminders

Please bring nativity costumes for Monday 7th December, in a names plastic bag and with named clothing.

P.E will be every Thursday afternoon.

Sports club is now back on and will run 3:15-4:00pm every Thursday.

The weather is getting much colder for PE and sports club, please could the children be provided with warm base layers, joggers and jumpers.
