Important dates and notices

Parents' Evening

Parent consultations are taking place remotely next week. Please log on early and wait to be admitted, this will help to stick to the timings. Should anyone experience any difficulties logging on or starting on time, please don't worry another time can be rearranged. Good luck trying this for the first time.

We are all learning in these times of Covid 19.

Christmas at St Joseph's

Please look out for the letter which has been pinged today explaining our Christmas arrangements this year. It will feel different as we are keeping to the steps taken so we are in line with our Risk Assessment. We are in Tier 3 and so mustn't become complacent now just before Christmas. I wouldn't like anyone to have to isolate over the Christmas period when the Prime Minister announced that Christmas can continue with 3 households gathering together on Christmas day.

Science

Years 1-6 enjoyed a virtual, interactive assembly delivered by 'Mad Science' this week. We watched them 'magically' change the colour of liquids and defy gravity with a hair dryer and a ping pong ball. How exciting!

The season of Advent

As Advent begins this weekend, we will be sending out our Reverse Advent calendar details on ping this Monday, so look out for that. Father Kieran has been in school this week to bless the Advent wreaths and we will be having a virtual worship session with Father in the coming weeks.

Virtual Open day

Please check out our first ever Virtual Open day https://youtu.be/iSPCFIITf_A

Also, we have put together a short video sharing what our children think about their school. <https://youtu.be/RyGMkp3C7QA>

These have been pinged and can also be found on our school website.
Enjoy!

Rewards & Celebrations

This Week's Superstars

A very big well done to the following children who have earned the most team points for their class this week.

Infants

Year 1 – Cooper Clay
