## Christmas Cards

7th and 14th of December are the ONLY dates where children can bring cards into school. They will be left inside the postbox for at least 48 hours before sharing out to ensure they are safe to handle.

This must be adhered to.

Many thanks.

## **Permission Forms**

Permission forms will come home tonight for those families who have not completed these previously. Although they are quite long, we do need these before children will be able to take part in the filmed session for the Christmas production. You will be pleased to know that once these are completed they are kept on file so unless you wish to make a change these are valid for your child's entire school life.
